

GREAT ADVENTURES

Dear Families,

Here we are again, at the end of another very successful half term. All of the children in Year 3 have been working incredibly hard and are continuing to make fantastic progress with their learning. We have all enjoyed learning about The Stone Age in our latest topic. We all enjoyed our educational visit to Creswell Crags and the children had a fantastic day building shelters, exploring inside a cave and creating stone age artwork.

For our next topic, we will be looking at the different types of adventures that people take throughout the world. We will learn about all of the different aspects of adventures, such as the different types of transport used, cars, buses, trains, boats and aeroplanes, and the many different reasons why journeys are made by people all over the world. We will also look at the changes to transport throughout history and the impact this has had on the type of journeys that people are able to make. Our learning questions for this half term will be:- *How has transport developed over time? Can you name any famous explorers? Can you name any modes of transport in other countries?*

As Scientists, we will be finding out about different types of plants, how they grow and what they need to survive in different environments.

We would just like to mention that we are extremely proud of the children that have taken part in Sheffield Eagles Rugby coaching sessions. The coaches have been very impressed and they have learnt some excellent rugby skills!

PE Reminder

PE lessons will continue as timetabled so please ensure that your child has their; OUTDOOR PE kit on a Tuesday and their INDOOR PE on a Wednesday.

No items of jewellery can be worn and long hair must be tied back.

We will continue to have PE sessions from 'Forge' on Tuesday afternoons.

Our class story next half term will be *The Miraculous Journey of Edward Tulane*. In this story, Kate DiCamillo takes us on an extraordinary journey, from the depths of the ocean to the net of a fisherman, from the top of a garbage heap to the fireside of a traveller's camp, from the bedside of an ailing child to the streets of Memphis. Along the way, we are shown a true miracle - that even a heart of the most breakable kind can learn to love, to lose, and to love again.

We will continue to have Spelling Tests on a Thursday and Times Table test on a Friday.

We hope you all have a fantastic Easter break, and will see you all in Summer 1! The Year 3 team.
